Salatiga

I am a third-year Computer Engineering student at Satya Wacana Christian University, with a strong passion for technology and web development. I have honed my skills in developing responsive web applications. Committed to creating efficient and easy-to-use web solutions, I approach challenges with enthusiasm and focus on continuous learning. My portfolio features a variety of projects that demonstrate my proficiency in web technologies and problem-solving abilities.

Education Level

Universitas Kristen Satya Wacana - Salatiga, Jawa Tengah, Indonesia   Aug 2021 -
